

HELP COMBAT COVID-19

The **Rutgers Global Health Institute Student Council**, the **Rotaract Clubs of Rutgers and Raritan Valley Community College**, and the **Robert Wood Johnson Medical School HIPHOP Promise Clinic** are calling upon our communities to donate the following items listed below to help combat the current coronavirus public health crisis. Members of our New Jersey communities are facing unprecedented challenges with difficulties such as obtaining food/hygiene items and shortages of personal protective equipment that protect healthcare workers from COVID-19 exposure. If you have any of these items please consider making a donation.
